# kids parties

410-825-2378 • [www.baltimoresbest.net](http://www.baltimoresbest.net)

We specialize in children's birthday parties with Themed Party Packages. We ask our customers what it is that their child loves — such as sports, animals, movies, fairy tales, beach/under the sea, cartoons — and then we build the party from concept to completion. One advantage we have is that we can take the entire party to our client, or we can host the party here at Baltimore's Best Events' banquet facility, CONFETTI'S Event Center.
